

# Cylinder Construction Kits

## Goldquest Cylinder Construction Kits

### Cylinder Construction Kits : Technical Specification

Goldquest Cylinder construction kits are available ex-stock for cylinder bores from 40mm to 160mm. Each kit contains the following;

- 1 – Gland
- 1 – Piston
- 1 – Piston Nut
- 1 – Rear End Cap
- 2 – BSP ports
- 1 – Complete set of seals

• Please call our sales department if the size you require is not listed.

- For a competitive fee, Goldquest International offers a cylinder design service for those customers using Goldquest standard parts.
- Consult our technical department for further information
